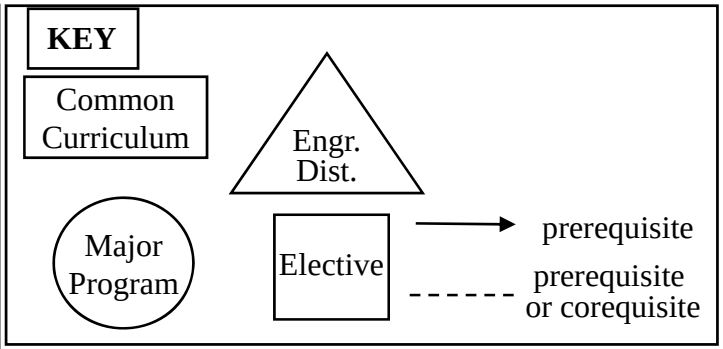
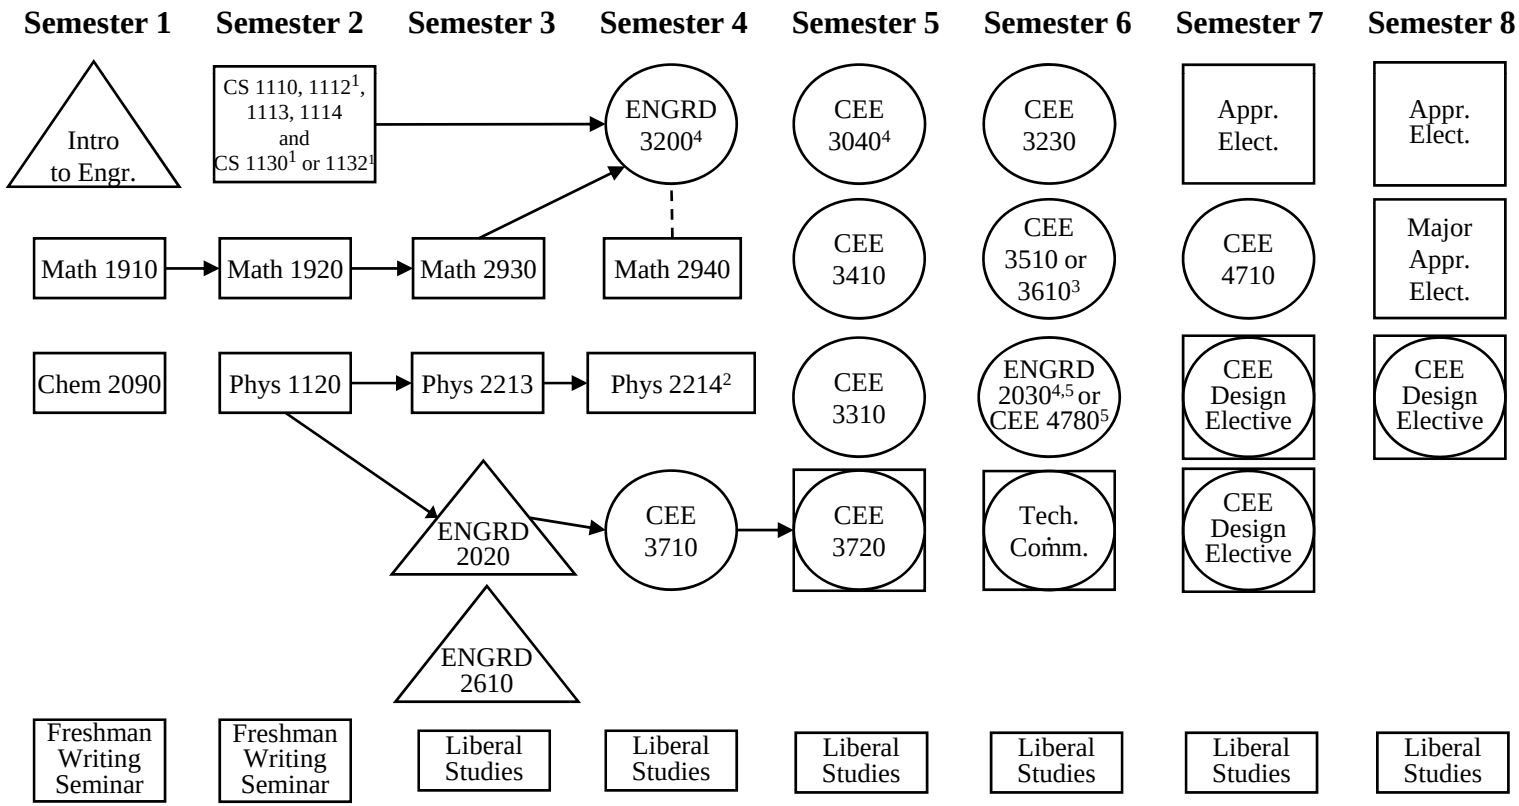
Major in Civil Engineering: Civil Infrastructure Focus

[1] CS 1112 and CS 1130 are recommended

[2] May substitute CHEM 2080 or CHEM 1570 for PHYS 2214.

[3] May substitute CEE 3720 or CEE 4710 for either CEE 3510 or CEE 3610 if one takes CEE 4730 or 4740. However, CEE 3720 or CEE 4710 then counts as a Core Course only and not as a CEE Design Course or Major-Approved Elective.

[4]Students taking ENGRD 2030, 3200 or CEE 3040 as the 2nd distribution course must take another Major Approved Elective.




[5]ENGRD 2030 may be taken sophomore year, CEE 4780 should not be taken until junior or senior year.
